December 2020

Tēnā koe valued Member of Te Ao Māramatanga

Thank you for your contribution as a nurse during the current Covid-19 pandemic

On behalf of the College Board this letter is to formally thank you for your services as a nurse during the current Covid-19 pandemic. Every nurse, including yourself, is playing a crucial role in the fight to eliminate this pandemic which we know will go on for some time.

Every action you take, be it small or big, makes a difference. Our collective actions as a nursing profession means that together we are coming through the other side. There appears to now be light at the end of the tunnel.

We know that it has been a tough year for you. Life and nursing practice have changed. We encourage you to continue to weave into your practice activities that build your resilience and strength to ensure we can best serve our communities and whānau. Your health and wellbeing matters.

In 2021 we have every intention of bringing you more opportunities to learn, connect and participate. We will do everything possible to bring you together at the wānanga in 2021 and at the national conference in Nelson in 2022.

Thank you for your loyal commitment to Te Ao Māramatanga- New Zealand College of Mental Health Nurses. We will continue to walk this pathway forward with you into 2021 and beyond.

In recognition of your commitment to the College we would like to provide all members with a gift of a pad and pen along with a College badge for those that don't already have one. Please reply to admin@nzcmhn.org.nz with your current postal address so we can send one to you in the post. It will also be a great opportunity for the College to have up to date membership records.

Our door is always open and please feel free to contact us.

We wish you well with your nursing career.

Ngā mihi nui

Suzette Poole (President)

Chrissy Kake (Kaiwhakahaere)
